An act to amend Section 19817 of the Business and Professions Code, and to amend Section 337j of the Penal Code, relating to gaming.

LEGISLATIVE COUNSEL'S DIGEST

AB 278, as amended, Bermudez. Gambling Control Act.

(1) The Gambling Control Act provides for the licensure and regulation of various legalized gambling activities and establishments by the California Gambling Control Commission. Under existing law, the California Gambling Control Commission is required to appoint a Gaming Policy Advisory Committee of 10 members, and this committee is to be composed of representatives of controlled gambling licensees and members of the general public in equal numbers.

This bill would increase the membership of the Gaming Policy Advisory Committee to 16 members, composed of 8 representatives of controlled gambling licensees, and 8 members of the general public.

(2) Existing law ~~makes it a misdemeanor to operate a controlled game, as defined, without the licenses required by law. These provisions also regulate~~ *regulates* the collection of player's fees in licensed gambling establishments.

~~This bill would revise the definition of controlled game to apply to specified games of skill as well as chance. The bill would impose a state-mandated local program by expanding the definition of a crime. The bill would also revise the regulation of provisions relating to player's fees in licensed gambling establishments with respect to the waiver of the collection of a fee by a gambling establishment.~~

~~(3) The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.~~

~~This bill would provide that no reimbursement is required by this act for a specified reason.~~
